Restore the North Shore of Flathead Lake

Gala Art Event in Bigfork, July 29, 6:00PM

THERE'S STILL ROOM - PLAN ON ATTENDING!

In the fall of 2015 over 100 community members assembled on the North Shore of Flathead Lake to protest the Flathead County Commission's decision to allow the construction of a bridge to "Dockstader Island". The Bridge is longer than Kerr Dam and impacts boating, paddling, swimming, and other public uses of Flathead Lake. The event will be held at the Venue at Montana 45 - a work of art itself. ***Come out and support the restoration of the North Shore!*** The sign being held reads, "Significant? Absolutely!" (Photo: Lauren Grabelle, Bigfork. <http://www.laurengrabelle.com/index>

A Request to Join Us!

*Enjoy an Evening Protecting Flathead Lake to hear
about our Mission and Support us in Restoring the Shore!*

The recent construction of the bridge on the Northshore violates the Lakeshore Protection Act and was wrongly permitted by Flathead County. A lawsuit by CANSC is in process to nullify the permit and remove the bridge.
