The Glacier Two Medicine Alliance Fall Gathering

September 3, 2015

Greetings!

Blackfeet Tribal leaders and conservationists have made significant progress in recent months toward permanent protection of the Badger - Two Medicine sacred landscape.

The Glacier Two Medicine Alliance's annual Fall Gathering is well worth attending and supporting. Good food, good music and GREAT people. (See poster below.)

Put this event on your fall calendar and contribute your energy to a positive future for this place.

Cheers!
