## **Volunteers Needed:** **To Promote the Montana Outdoor Heritage Project** **at the Polson Cherry Festival** **July 20 and 21**

July 15, 2019

Greetings!:

Do you have Saturday, July 20, or Sunday, July 21, to volunteer at the [Polson Cherry Festival](#) in Polson, MT?

The [Montana Outdoor Heritage Project](#) (MOHP - supported by *Headwaters Montana*) needs a few volunteers to help fellow citizens learn about the Montana Outdoor Heritage Project and the [Heritage Survey](#).

MOHP has set a goal of 10,000 Montanans completing the Survey. Public street festivals like the Cherry Festival are an excellent way to make folks aware of the [Survey](#).

If you haven't yet taken the [Survey](#) yourself, please take a few minutes now to check it out!

If you enjoy meeting people and have part of either of the two days free, please send an email note Eric or Jacob (below) and they will get back to you with more information and a hearty "Thank You!"

**Cheers and thanks,** Dave

*The Montana Outdoor Heritage survey asks which aspects of Montana's great outdoors mean the most to you. The MOHP intends to reach over 10,000 Montanans between now and mid-September. HELP MOHP reach its goal by volunteering at the Polson Cherry Festival July 20 & 21.*
