

Dear Greetings!:

As you've probably heard by now... WE WON in Flathead District Court and the Bridge to Dockstader Island must come down. The North Shore of Flathead Lake will be restored!

This represents a huge community victory, and we **thank you!** for your support and financial assistance in making this success possible.

As the photo at left has demonstrated since 2015 when we initiated the lawsuit, Bigfork and the Flathead Valley community objected strongly to the County's permitting of the bridge. That community support was heard by the court and it made *the* difference in our ability to prevail.

So now we need to see your victory spirit! It's time to celebrate!

Please join the community **this Friday, October 7 at Marina Cay in Bigfork** for our **VICTORY DANCE!**

When: 6:00 - 10:00 pm

Music starts: 7:30 pm

"THE BAD LARRYS"

Cash bar and no-host restaurant

Where: Marina Cay Restaurant, 180 Vista Lane, Bigfork

Cost: Free - But donations needed to defray our significant legal costs!

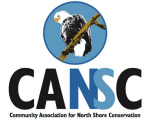

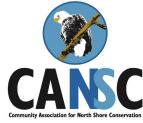

See you Friday night!

Dave Hadden, *Co-Chair*

Community Association for North Shore Conservation
